

SELECT YOUR VOLUNTEER SHIFTS ONLINE

STEP 1

To access your account for the JCC Maccabi Games, you must use Google Chrome or Mozilla Firefox. If you do not have either of these browsers, you can download them using the following:

 Download Google Chrome by going to www.google.com/chrome and following the steps on the page

 Download Mozilla Firefox by going to www.mozilla.org/en-US/firefox/new and following the steps on the page

STEP 2

Once on one of these browsers, go to <https://atlmaccabi2019.org/jcc-association-national-registration/> and login using your username and password that you have already created, to start your registration. (If you have not yet registered, you can use our Registration How-To Information Sheet to help you through the process of registration).

STEP 3

On the home screen you will see a status bar. Hover over the status bar and your forms will show up. (Those that are **RED** need to be completed)

STEP 4

Select "Select your volunteer slot options." From there, the site will take you to the list of volunteer options.

STEP 5

From here you will be able to filter by location, time, and date to find a volunteer shift that will work the best for you. Select as many shifts as you would like. We need your help!
